Dear Mr. Ganoe,

Thank you so much for your very kind invitation to visit the Philadelphia Committee on Foreign Relations in the springtime. I appreciate your reminding me of it, and I would certainly be glad to do so. At the moment, I would like to leave the time still a little indefinite, if I may, because my own plans are somewhat indefinite still. Once they firm up, however, I assure you I will be in touch with you for sometime probably in the late April or May time frame.

Thank you so very much for thinking of me again,

Sincerely,

*W. E. Colby*
